## **Representative Vince Leach Appointed to ALEC Tax and Fiscal Policy Task Force Executive Committee**

**STATE CAPITOL, PHOENIX** – Representative Vince Leach (R-11) has been appointed to the American Legislative Exchange Council (ALEC) [Tax and Fiscal Policy Task Force Executive Committee](#), which brings together legislators from across the United States to research sound economic policy and search for pro-growth solutions for state economies.

ALEC is a nationwide non-profit that promotes the principles of limited government, free markets, and federalism.

**“ALEC’s long-standing movement to promote free markets, low taxation, and federalism has been very helpful to those of us implementing those principles at the Legislature,”** said Representative Leach. **“I’m proud to be a newly-appointed member of the Executive Committee of the Tax and Fiscal Policy Task Force, and I can’t wait to share our successes in Arizona and learn how we can further improve our state.”**

Earlier this year, ALEC published its annual report [Rich States, Poor States](#), listing Arizona as fifth in the nation for economic outlook.

Representative Leach has served on the House Appropriations Committee and the House Ways & Means Committee.
